# The Duckling Nursery Fees 2025 – 2026

## Additional Charges for FEEE funded sessions

The FEEE funding is intended to deliver 15 or 30 hours a week of funded high quality, flexible childcare. The 15 or 30 hours must be accessible free of charge to Parents. We do not enforce any mandatory charges for Parents in relation to the funded hours. According to the statutory guidance and Essex County Council local authority, the FEEE funding **does not cover the cost of meals, other consumables, additional hours, or additional services.**

The Provider **can** charge Parents for the following in connection with the funded hours (with the exception of children who are accessing 2-year-old funding for families in receipt of Government Support only) but these charges must be **voluntary** for the Parent:

- **consumables** to be used by the child, such as nappies, wipes, hand towels and sun cream
- **meals and snacks** consumed by the child (based on what we provide per session)
- **extra optional activities** such as events, celebrations, specialist tuition (for example signing classes or specialist sports tuition) or other activities that are not directly related or necessary for the effective delivery of the Early Years Foundation Stage (EYFS) statutory framework\*

At the Duckling Nursery, we call the additional voluntary charge the ‘**duckling difference**’ – everything that makes the Duckling Nursery different from other providers – what makes us stand out. The cost of these chargeable extras is published on our website under ‘fees and funding’. It is centred around the high-quality provision of the Early Years Foundation Stage Curriculum that we provide for all children. We long to provide all the enhancements listed below for all Ducklings children but they are not covered by funding we receive from the government.
